Webster, NH 03303**

4:10 pm Selectmen's Meeting – April 15, 2013 – Work Session

Selectmen present: Chairman Bruce Johnson, Selectman Roy Fanjoy and Selectman Mason Donovan

Chairman Johnson advised that the purpose of this meeting was to meet with Tom Baye, concerning the Life Safety Code Enforcement Officer position.

As Mr. Baye was not yet in attendance, Chairman Johnson moved on to other business items before the Board as follows:

- Discussed an anonymous complaint about grey water coming from a home on Deer Meadow Road. Life Safety Code Enforcement Officer Tom Godfrey has responded to this issue. As Mr. Godfrey had indicated in his e-mail to the Board that there was a new addition at this property, there was discussion on the need for permits for additions.
- Discussed a note put on an Inventory of Taxable Property regarding the road postings and the effects on the property value for a residence on Clough-Sanborn Hill Road. This was given to the assessors and they responded that the road posting had no impact on the assessment, to which the Board agreed.
- Discussed a replacement septic system proposed that would require crossing Lake Road. This will be discussed with the Road Agent at the Select Board Meeting.
- Chairman Johnson had received a complaint about a Recreational Vehicle parked on Concord Drive. It would appear that it was being stored on the property, which is allowed. Any occupation of this type of vehicle requires a permit from the Select Board. Chairman Johnson will contact the one that complained to see if there is more concrete information about the use of the RV.
- Selectman Donovan suggested hosting one of the regular Select Board's Meetings, probably August 19th, at the Old Meeting House, in conjunction with the Old Home Day Celebration.

As Mr. Baye did not attend this meeting, the decision was to reschedule the meeting to Friday, April 19th at 4:00 pm, depending on the availability of Mr. Baye. If he is not available on that date, another day will be scheduled.

4:57 pm Selectman Fanjoy made a motion to adjourn the meeting; seconded by Selectman Donovan and approved.
